# Create a New Adventure

Creation of an Adventure is subject to our Terms of Use and the Adventure Lab® Guidelines. Please read them carefully before you begin, and remember that you must have the rights to use any images, video, or other content you include in your Adventure.

#### Adventure title

Choose a name for your Adventure.

#### Adventure description

Tell us why your Adventure is unique. Include details about points of interest and your theme.

If this is a sponsored Adventure, the description must include: This Adventure is sponsored by [name of the business or group].

0/1024

## Cover Image:

Choose an image that captures the theme of your Adventure. A simple, text-free image 1125x1050 pixels or larger is best as this image will be automatically cropped and used in several places on your Adventure.

No image selected

### Adventure starting Location

This is the starting point that will allow players to navigate to other locations in your adventure.
